Pawsitively the best walks for your furry friend

## WHY DOG WALKING IS NEEDED

- **Physical Health:** Essential for exercise, weight management, and joint health.
- **Mental Stimulation:** Prevents boredom, reduces destructive behaviors, and provides new scents/experiences.
- **Socialization:** Opportunities to interact with other dogs and people (if appropriate and safe).
- **Behavioral Benefits:** Helps burn energy, leading to a calmer, happier dog at home.
- **For Busy Pet Parents:** Your schedule shouldn't compromise their needs.

# OUR SERVICES

- **Private Walks:** One-on-one attention for dogs who prefer solo adventures or have specific needs.
- **Group Walks:** Social and fun outings for well-socialized dogs (small, supervised groups).
- **Walk Durations:** Flexible options.
- **GPS Tracking:** Real-time updates and walk reports.

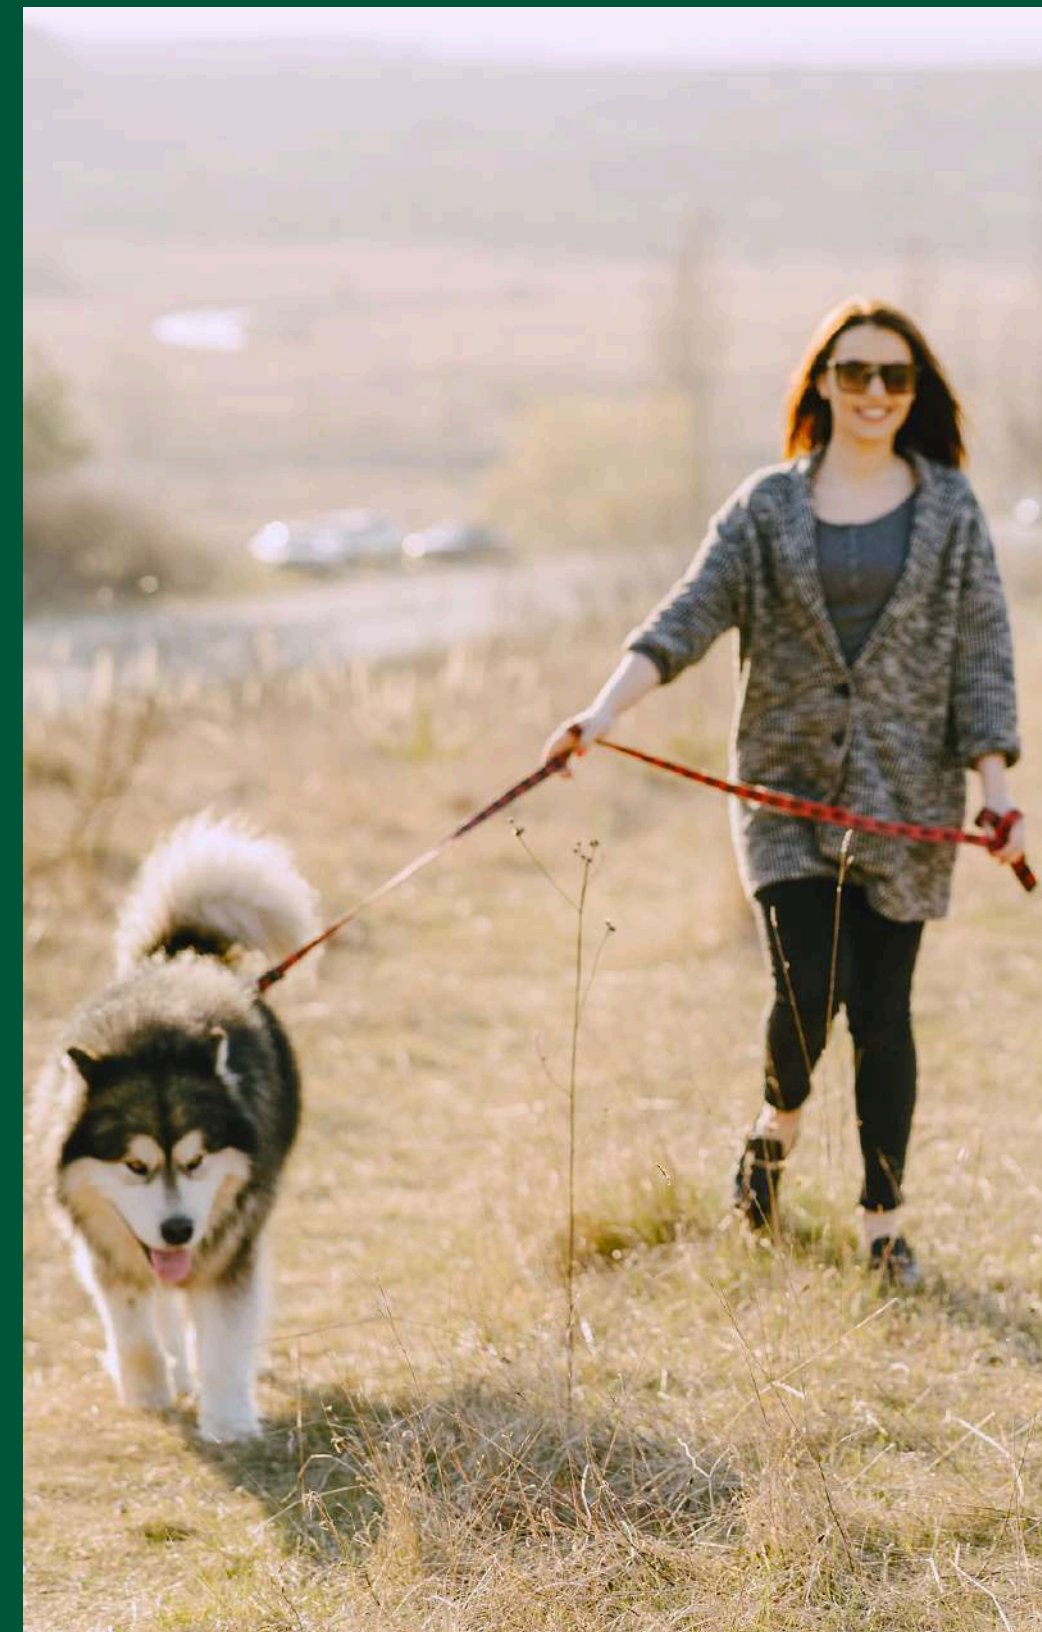

## WHY CHOOSE PETTIK?

- **Experienced & Vetted Walkers:** Our team is trained, background-checked, and passionate about pets.
- **Personalized Attention:** We understand each dog is unique and tailor walks to their personality and energy levels.
- **Safety First:** Strict protocols for leashing, route selection, and emergency preparedness.
- **Reliability & Punctuality:** You can count on us, every time.
- **Convenience:** Easy booking and flexible scheduling to fit your busy life.
